ANNUAL REPORT FOR 1973-74

This is the fifth Annual Report of the ICSSR, covering the financial year 1973-74.

FINANCIAL DIFFICULTIES

2. During 1972-73, the grant-in-aid of the Government of India to the Council stood at Rs. 70 lakhs. In accordance with the programmes drawn up and approved for the Fourth Five Year Plan, this grant-in-aid should have increased to Rs. 102 lakhs during 1973-74. But on account of financial difficulties, the grant-in-aid to the Council was cut down first to Rs. 60 lakhs and then to Rs. 55.5 lakhs. This was a great disappointment. Many plans of expansion of activities had, therefore, to be postponed. It is hoped that, during the Fifth Five Year Plan, much larger allocations would be placed at the disposal of the ICSSR and an adequate expansion of the programmes would be possible.*

* The Council was given an allocation of Rs. 247 lakhs for the Fourth Plan period (1969-74) on the understanding that, starting with the annual allocation of Rs. 10 lakhs for 1969-70, the Council will so build up its Programmes that, in the final year of the Fourth Plan (1973-74), it would be able to utilize an allocation of Rs. 100 lakhs or so. Against this, due to economy cuts on account of constraint of resources with the Government during the last two years, the Council could get a total of Rs. 209.52 lakhs only during the Fourth Plan period with yearly break-up as indicated below :

Year	Amount (Rs. in Lakhs)
1969-70	10.00
1970-71	27.70
1971-72	46.32
1972-73	70.00
1973-74	54.50
Total	209.52

SURVEY OF RESEARCH IN SOCIAL SCIENCES

3. This scheme, initiated in 1969-70, is now expected to be completed by the end of 1975-76. The delay in implementation of the scheme has been largely due to problems of publication. During the year under review, an expenditure of Rs. 21,476 was incurred bringing the total expenditure on the scheme to Rs. 8,12,299 till the end of 1973-74. The volumes in Psychology and Geography have been published. Those in Sociology and Social Anthropology, Public Administration, Management and Demography have been sent to the press. Three of these volumes have been published and the remaining five are expected to be published next year. Work on volumes in Economics and Political Science is in progress. These are expected to be sent to the press in 1974-75 and published in 1975-76.

RESEARCH PROJECTS AND PROGRAMMES

4. As in the past, the grant of financial support for research in social sciences continued to be the most important activity of the Council.

5. **Research Projects :** The following statement shows the number of applications received, the number of proposals sanctioned and progress of expenditure on this activity from year to year :

Year	No. of proposals received	No. of proposals sanctioned	Amount of grants sanctioned (Rs. in lakhs)
1969-70	155	13	3.04
1970-71	300	73	9.33
1971-72	415	103	15.41
1972-73	320	104	16.01
1973-74	260	88	16.28
Total	1,450	381	60.07

In addition, 45 proposals had been transferred from the RPC of the Planning Commission. Thus, a total of 426 research projects was sanctioned till 31st March 1974.

6. A list of the 88 research projects sanctioned during the year is given in Appendix II.

7. The progress of 426 research projects as on 31st March 1974 has been indicated below :

(a) **Projects transferred from the Planning Commission** - Of the 45 projects, final reports have been accepted by the Council in 41 cases. In 4 cases, the reports are yet to be received.

(b) **Research Projects sanctioned during 1969-70** : Of the 13 projects sanctioned, final reports have been received by the Council in 9 cases and have been accepted by the Council; and in 3 cases, preliminary drafts are under examination or revision. One sanction was cancelled.

(c) **Research Projects sanctioned during 1970-71** : Of the 73 projects sanctioned, final reports have been received by the Council in 42 cases. Of these, 33 reports have been accepted by the Council and in 9 cases, preliminary drafts have been received and are under examination or revision. Three sanctions were cancelled and in the remaining 28 cases, the reports are yet to be received.

(d) **Research Projects sanctioned during 1971-72** : Of the 103 projects sanctioned, final reports have been received by the Council in 32 cases. Of these, 22 reports have been accepted by the Council and in 10 cases preliminary drafts have been received and are under examination or revision. Five sanctions have been cancelled and in the remaining 66 cases, the reports are yet to be received.

(e) **Research Projects sanctioned during 1972-73** : Of the 104 projects sanctioned, final reports have been received by the Council in 9 cases. Of these, 6 have been accepted and the rest are under examination. Six sanctions were cancelled, and in the remaining 89 cases, the reports are yet to be received.

(f) **Research Projects sanctioned during 1973-74** : Of the 88 projects sanctioned, preliminary drafts have been received in 3 cases. Sanctions of 5 projects have been cancelled, and in the remaining 80 cases, reports are yet to be received.

8. **Research Programmes** : A research programme is a series of studies, spread over 3-5 years, on a central theme of relevance and significance. The idea is to develop such programmes of research in selected university departments and

research institutions. The programme was to have been initiated during the current year. However, in view of the cuts in the grant-in-aid, it was postponed to 1974-75.

FELLOWSHIPS

9. During the year under review, national fellowships were awarded to Professor D.T. Lakdawala and Professor S.P. Verma.

10. Senior Research Fellowships were awarded to 16 persons : (1) Professor G.S. Sharma, (2) Dr. (Mrs.) R.A. Menon; (3) Dr. (Mrs.) K.R. Ranadive; (4) Shri Amritananda Das; (5) Miss A. Rangaswami; (6) Dr. M. Horam; (7) Dr. Buddhadeva Bhattacharyya, (8) Dr. (Miss) S. Saxena; (9) Dr. Buddhadev Chaudhuri (10) Dr. G. S. Aurora; (11) Mrs. Savitri Chandra; (12) Dr. (Mrs.) Surinder Jetly; (13) Mrs. Gargi Dutt; (14) Dr. Gopal Singh Nepali; (15) Dr. V.P. Vaidik; and (16) Dr. (Mrs.) Promilla Kumar.

11. Two post-doctoral fellowships were sanctioned to (1) Dr. (Mrs.) Nirupama Pota; and (2) Dr. (Mrs.) R. Parthasarathy.

12. Fellowships were also sanctioned to five overseas social scientists, namely, (1) Mr. Ahn Joong Khee of Korea; (2) Mr. S.K. Jinasena of Sri Lanka; (3) Dr. J.E. Jaysuriya of Sri Lanka; (4) Dr. M.L. Goel, who is now a resident in the United States; and (5) Dr. Prem C. Prasad, who is a resident of Fiji.

13. In addition, 114 doctoral fellowships, 30 contingency grants and 3 travel grants were sanctioned. In order to economize, the fellowships were sanctioned with effect from 1 October 1973.

14. The total number of fellowship awards made during the last five years is given in the following table :

	1969-70	1970-71	1971-72	1972-73	1973-74	Total
	1	2	3	4	5	6
1. National Fellowships	—	2	—	1	2	5
2. Senior Fellowships	3	7	5	8	16	39

TRAINING IN RESEARCH METHODOLOGY

16. During the year under review, 235 persons participated in nine different courses organised by the Council. Three of these were foundation courses and were organised at (1) A.N. Sinha Institute of Social Sciences, Patna, (2) Indian Institute of Public Administration, New Delhi, and (3) Council for Social Development, New Delhi. Four were discipline-specific courses and were organised at the (1) Department of Anthropology and Sociology, Sagar University (Sociology and Anthropology), (2) Tata Institute of Social Sciences, Bombay (Social Work), (3) Institute of Development Studies, Mysore University (Geography), and (4) Sardar Patel Institute of Economic and Social Research, Ahmedabad (Economics). A two-week course on Data Processing was organised by the Council for Social Development, New Delhi and a two-week workshop for Supervisors/ Guides in Economics in the Southern universities was organised at the Karnatak University, Dharwar.

17. The Council also initiated, during the year under review its programme of publishing occasional monographs in Research Methodology. The first monograph in the series entitled "Training in Research Methodology in Social Sciences in India" has been written by Shri P. Ramachandran, Head, Department of Research, Tata Institute of Social Sciences, Bombay.

STUDY GRANTS

18. The scheme of Study Grants provides financial assistance to doctoral students and other research workers in the field of social sciences who wish to visit libraries situated outside their normal place of residence. The scheme is operated from New Delhi and also from 20 other Centres in the country. During the year under review, 34 students from 20 different universities in all parts of the country came to New Delhi for study under the scheme. A large number of students also availed themselves of this facility at the other Centres.

PROMOTIONAL ACTIVITIES

19. **Study Team on the Status of Social Sciences in Agricultural, Engineering and Medical Education :** During the year under review, the work of this Team made further progress. It is now hoped that the team will be able to complete its work and submit its report during 1974-75.

20. **Research into the Problems of Scheduled Castes :** The programme was continued during the year under review. The re-

ports on the economic profiles of Scheduled Castes in U.P. and Tamil Nadu were received and those for Gujarat, Punjab (including Haryana and Himachal Pradesh) were still awaited. Seven new projects relating to research into the problems of Scheduled Castes were sanctioned during the year.

21. Research into the Problems of the Scheduled Tribes : The programme was continued during the year. The work on trend reports made further progress and it is hoped that it will be possible to complete it during 1974-75. Twelve new research projects were sanctioned during the year under review relating to the problems of the Scheduled Tribes. A programme of eight re-studies of selected Tribes was drawn up and detailed proposals regarding one of them were sanctioned.

22. Nation-wide Study on Education among Scheduled Castes and Schedules Tribes : Considerable progress was made in this major project which includes 26 different studies. It is hoped that the entire work would be completed during 1974-75.

23. Research into the Problems of Muslims : A colloquium on research into the problems of Muslims was held at Hyderabad from 5-8 November 1973. The proceedings and papers of the colloquium are being published in a book-form.

24. Law and Social Change : A one-day seminar was organised on the themes of Panchayati Justice and Family Law at Bombay University on 31 December 1973 after the annual conference of the All India Law Teachers' Association. 35 senior law teachers and 7 social scientists participated in the discussion.

25. Area Studies and International Relations : It is the policy of the Council to promote research on Asia. Relations with social scientists are also proposed to be established in the hitherto neglected areas, viz. USSR and the Eastern European countries; GDR and FRG; Africa and Latin America. A new step taken during the year was to utilize cultural agreements between Government of India and other friendly countries to promote collaborative relations in the field of social science research.

26. Studies on the Status of Women : The Council continued to assist the National Committee on the Status of Women by commissioning studies on special aspects of the problem. As assured earlier, Government fully reimbursed the Council for all expenditure incurred on the programme. A proposal to edit

and publish the more important of these studies as part of the programme for the International Women's Year is under consideration.

DATA ARCHIVES

27. The Expert Committee on Data Archives held three meetings during the year. The programme of action chalked out by it includes several important activities. It has set up five working groups to negotiate, with major national data producing agencies, a practical plan in which the ICSSR data archive can best collaborate with them. In the meanwhile, some negotiations have also been initiated with the ISI for the data of the first 19 rounds. It has also been decided to establish centres to provide consultancy services in data recording, processing and analysis at (1) The Indian Institute of Management, Calcutta; (2) Centre for the Study of Developing Societies, Delhi; (3) Gokhale Institute of Politics and Economics, Poona; (4) Sardar Patel Institute of Economic and Social Research, Ahmedabad; and (5) Centre for Development Studies, Trivandrum. It is also proposed to extend support for acquiring data processing equipment to a few selected institutions which have over the years acquired a large body of data which needs processing and organisation.

28. The National Data Archives began to function during the year when the equipment ordered arrived and was installed. It has also started acquiring data sets. The sets acquired during the year include the following :

I. Data Generated by the ICSSR Projects

- (1) Optimum utilisation of educational expenditure in Gujarat.
- (2) Impact of Electoral Process on Harijans and Adivasis of Gujarat : The Study of 1971 Election.
- (3) A Study of 1969 Mid-term Election.
- (4) Economic Change and Political Attitudes in Rural Rajasthan.

Negotiations for other data sets generated by research projects financed by the ICSSR are under way.

II. Data Generated by Governmental Agencies

- (1) Registrar General of India : One per cent sample of 1971 Census

(2) Reserve Bank of India :

- (a) Sixth follow-up rural credit survey (1963-66)
- (b) Cost benefit studies relating to tube-wells in Punjab (1966-67)
- (c) Field study to assess benefits from construction of wells and pump sets (1967-68)
- (d) Study of determination of norms, assessment of repayment capacity and valuation of hypotheca (1969.70)
- (e) Study of banking facilities

29. A data set on Assembly Elections in India (1952-1967) has been presented to the ICSSR by Prof. Myron Weiner.

30. A computer programme, Statistical Package for Social Science (SPSS), has been installed at the Computer Centres of Delhi University and Physical Research Laboratory, Ahmedabad. A two-week training course on the SPSS Package was also organised at Delhi in collaboration with the Computer Centre, Delhi University.

DOCUMENTATION AND BIBLIOGRAPHICAL SERVICES

31. **Union Catalogue of Social Science Serials** : During the year under review, three volumes in the Union Catalogue series (P) covering the libraries in Delhi (1973), Karnataka (1973) and Andhra Pradesh (1974) were published. The volume for Delhi, the first in this series was released by Prof. V.K.R.V. Rao at an impressive gathering of social scientists and librarians in the Conference Hall of the Indian Institute of Public Administration. By the end of the year, processing and editing of the data from libraries in Punjab, Haryana and Himachal Pradesh was completed and the data from the libraries in U.P. and West Bengal (except the National Library) was at different stages of processing and editing. The data from the libraries in Madras city was also collected during this period.

32. Action was initiated during this year to collect the data from the remaining States, namely, Assam, Bihar, Orissa, J&K, Rajasthan, Gujarat and Madhya Pradesh. In addition, the data in respect of serials other than periodicals from 65 select libraries in Delhi was fully edited for publication as the first volume in the Union Catalogue Serials (S).

33. Mahatma Gandhi Bibliography : During the year under report, the complete Press copy of the first fascicule of this bibliography covering over 800 books wholly and directly on Gandhiji published in the English language upto 31 December 1972 was prepared for publication on 2 October 1973 which is the birthday of Mahatma Gandhi. However, due to some unavoidable difficulties in respect of its printing in a Press at Bangalore, its publication was delayed. Arrangements are now made with a Press in Delhi to ensure its publication on a suitable date next year.

34. Manuscripts for fascicules of the bibliography covering books on Gandhiji in each of the Indian languages published upto 31 December 1972 have also been prepared for printing next year.

35. The Council has decided to provide suitable financial assistance to Gandhi Peace Foundation to continue the compilation of this bibliography for books in English and Indian languages published after 31 December 1972.

36. Documentation on Asia : This is also a major project which is being carried out by the Indian Council of World Affairs with a grant-in-aid from the ICSSR. The object of the programme is to complete this series from 1961 and bring it up-to-date. During the year under review, the progress of the work was partly held up owing to certain difficulties. These have now been overcome and the work has been re-started with vigour. It is hoped that the project would be completed in another three years. The estimated cost of the project is Rs. 160,000 out of which a sum of Rs. 50,000 has already been advanced to the Indian Council of World Affairs.

37. Annotated Bibliography on the Economic History of India (1500 to 1947) : This is a major bibliographical project being carried out by the Gokhale Institute of Politics and Economics, Poona, on behalf of the Indian Council of Social Science Research. The project, which is estimated to take about four years, has now completed two years and about 14,000 entries (out of an estimated 30,000) have been prepared. During the next year, the work of publication is proposed to be taken up. With the assistance of the British Council, the Director of the project, Shri V.D. Diwekar, is spending one year in London to prepare annotated bibliographies of materials available in the British Museum and in the India House Library. The estimated cost of the project is Rs. 10 lakhs, out of which Rs. 3.7 lakhs were spent by the end of 1973-74.

38. Grants-in-Aid : The following grants-in-aid were sanctioned during the year :—

- a. *Bibliography on the Area Study of Jammu & Kashmir* : The proposal has been approved in principle and details of financial assistance are being worked out.
- b. *Index of Articles from Marathi Periodicals* : A Grant-in-aid of Rs. 10,000 was sanctioned to Mumbai Marathi Grantha Sangarahayalaya for this programme.
- c. *Handbook of Social Science Research Instruments* : The handbook had been compiled earlier with a grant-in-aid from the ICSSR. During the year under review, a grant-in-aid of Rs. 5,000 was sanctioned for its publication.
- d. *Documentation in Social Work and Related Fields* : A grant-in-aid of Rs. 6,000 was sanctioned to the Delhi School of Social Work for this programme.
- e. *Index of Articles on Agricultural Economics* : A grant-in-aid of Rs. 10,000 was sanctioned for this programme for 1971 and 1972 to the Indian Society of Agricultural Economics, Bombay.

39. Periodicals Unit on the campus of the Jawaharlal Nehru University: The Social Science Documentation Centre has set up its Periodicals Unit at the Jawaharlal Nehru University Campus. Accommodation of over 3000 sq. ft. for the Periodicals Unit has been made available by the Jawaharlal Nehru University. The Council provided the necessary equipment and furniture. The Unit began functioning from 1 March 1974. 1256 foreign periodicals and 545 Indian periodicals have been subscribed and the issues of many of them have started coming. In addition, 166 foreign periodicals are received on exchange and 336 periodicals are received gratis. The Periodicals Unit remains open from 9.00 a.m. to 7.00 p.m. every day of the week including Sundays and holidays. The response in terms of use of the Periodicals Unit is encouraging.

40. Depository Library : During the year under report the Social Science Documentation Centre prepared a plan for the setting up of the Depository Library to accept on deposit, from the important libraries in Delhi, such social science research material from their stock as they may like to deposit. With the encouraging response from some local libraries, it is expected that the Depository Library will begin to function from 1974-75.

RESEARCH INFORMATION

41. During the year under review, a list of doctorates in social sciences awarded by Indian universities in 1971 was published as a special issue of the *Indian Dissertation Abstracts*. Work on collection of data for similar publications for 1972 and 1973 is in progress.

42. Information is being collected for the Directory of Social Science Research Institutions in India to be published in 1974-75.

43. Data is also being collected for three publications which are proposed to be brought out in 1975-76 and 1976-77 : (1) Doctoral Students in Social Sciences in Indian Universities; (2) Current Research in Social Sciences in Universities and Colleges; and (3) Directory of Professional Organisations of Social Scientists in India.

44. During the year under review, information has been collected from 20 universities in respect of names and addresses of approved supervisors and guides for Ph.D in Social Sciences. Similar data for other universities is being collected. The data will be maintained on cards and made available on request.

45. Directory of Social Science Periodicals Published in India : During the year under report, information about 1000 social science periodicals known to be currently published in India has been collected by means of a questionnaire sent to about 2000 publishers of periodicals. This information has been processed and a final copy of the Directory on slips has been prepared. For each periodical, the entry provides the name of the periodical, year of start, previous changes of title (if any) editor's name and address, frequency, approximate number of pages in each issue, annual subscription, nature of contents, etc. It is intended to be published in 1975-76. When published, the Directory will be a classified directory by Dewey Decimal Scheme of classification and title, sponsor and subject indexes will be provided.

46. Bibliography of Bibliographies and Documentation Services : An important programme undertaken by the ICSSR is to maintain as complete a bibliography as possible of all bibliographies and documentation services in the field of social sciences and to make these available to research workers. A

special effort is made to collect and stock all documentation materials in the field of social sciences produced by institutions in India.

PUBLICATIONS

47. The Council continued the publication of its quarterly *Newsletter*. It also brought out eight non-priced publications. Mention among these may be made of *Educational and Cultural Rights of the Minorities* by Dr. G.S. Sharma; *Water Facilities for the Untouchables in Rural Gujarat* by Dr. I.P. Desai; and *Asian Conference on Teaching and Research in Social Sciences*.

48. The Council continued the publication of its Journal, the *ICSSR Research Abstracts Quarterly*. During the year under review, a new Journal the *Indian Dissertation Abstracts* was also started.

49. Earlier, the Council had already started publication of the Journal *Indian Psychological Abstracts*. During the year under review, one more journal was started, viz. the *ICSSR Journal of Abstracts and Reviews in Sociology, Anthropology, Criminology and Social Work*. Arrangements were also finalized for the publication of Journals in Geography, Public Administration and Management. These will begin publication from 1974-75.

50. Publication grants were sanctioned for 49 doctoral theses during the year. As a measure of economy, however, the operation of the scheme was suspended in the latter half of the year. In addition, publication grants were sanctioned for 9 research reports financed by the ICSSR and for 10 research reports financed from other sources.

51. The ICSSR assists professional organisations of social scientists functioning at the national level to conduct journals by creation of an endowment fund of Rs. one lakh for each journal. During the year under review, however, no grant-in-aid under the scheme was sanctioned as a measure of economy. However, the grant-in-aid of Rs. 5,000/- a year which was sanctioned for the *Geographical Review of India* for a period of three years in the first instance was renewed for a further period of two years.

52. The total volume of publication work in the Fourth Plan period may be seen from the following data :

(1) Total number of non-priced publications brought out by the Council	50
--	----

(2) Total number of priced publications brought out by the Council	25
(3) Total number of quarterly Journals conducted by the Council	3
(4) Total number of doctoral theses for which publication grants were sanctioned	244
(5) Total number of doctoral theses out of the above which were actually published	97
(6) Total number of research reports financed by the ICSSR for which publication grants were sanctioned	30
(7) Total number of research reports out of the above which were actually published	13
(8) Total number of research reports not financed by the ICSSR for which publication grants were sanctioned	51
(9) Total number out of the above which were actually published	29
(10) Total number of publications of a bibliographical and documentation nature for which publication grants were sanctioned	16
(11) Total number out of the above which were actually published	11
(12) Total number of publications copies of which were purchased by the ICSSR in bulk for distribution	4

REGIONAL CENTRES

53. Three Regional Centres of the Council have been established during the year under review, one each at Calcutta, Bombay and Hyderabad, with a view to providing library, documentation and other research facilities to social scientists of the region. These Centres will stock social science research material, subscribe to periodicals in social sciences, maintain essential bibliographical and documentation services, collect the social science research material in regional languages, establish hostels where teachers and scholars can stay at minimum cost, and operate a scheme of Study Grant to cover travel and local maintenance costs of social scientists who desire to consult research material available in the libraries located in the region.

54. The Centre at Bombay is functioning on the new campus of the University of Bombay at Kalina. A building for the Centre consisting of a library wing and a hostel is under construction and is expected to be completed in 1975-76. During the year under review, the principal activities of the Centre included (1) the organization of a data-processing course (44 participants), (2) a workshop on 'Recent Trends in Social Sciences in Assessing and Measuring Human Progress' on the occasion of the visit of Dr. Margaret Mead, (3) sanction of study-grants to 23 scholars, and (4) organisation of programmes of visits by overseas social scientists invited by the ICSSR. The Centre also offers facilities for supply of xerox copies of documents needed by social scientists.

55. The Centre at Calcutta was established in January 1973. It is housed in its own building at 10, Lake Terrace, Calcutta. During the period under review, it has set up a small unit of library and Documentation Centre. It is also operating the Study Grant Scheme of the Council in its area. The Centre proposes to (a) make efforts to secure copies of the State Government reports and other local published and unpublished material from the State Governments; (b) to centralise necessary locational tools for social science research; (c) to start collection of rare publications, and other social science research material in one or two languages of the region, specially in Bengali language and prepare a bibliography of books on social sciences in Bengali and index Bengali periodicals in Social Sciences.

56. The Centre at Hyderabad is located on the campus of the Osmania University. A building for its library and hostel is under construction and is expected to be complete by 1974-75. The principal activities of the Centre during the period under review include : (1) An oral history project; (2) collection of social science materials in Telugu and Urdu; (3) compilation of digests of social science materials in Telugu and Urdu; (4) study grants and consultancy services; (5) organisation of a short-term course in statistics for college teachers at Hyderabad; (6) programme of visits of overseas scholars invited by ICSSR; (7) collaboration with ICSSR in implementing its projects and programmes for the southern region; (8) seminars on problems and prospects of social science research in Telugu and Urdu.

INTERNATIONAL CONTACTS

57. In pursuance of its policy to permit closer contacts between Indian and overseas social scientists, the ICSSR has developed two programmes. Under the first, assistance is given to Indian social scientists, who have been abroad, to extend

their stay and to spend some time at selected centres or to meet leading social scientists. During the year under review, the purpose of this programme has also been extended to cover participation in International Conferences held outside India. Under the second programme, leading social scientists from abroad are invited to India to visit different Centres and to hold discussions with Indian social scientists.

58. During the year under review, grants for extended stay were given to 10 Indian social scientists; (1) Dr. M.L. Gupta (for visit to Netherlands, U.K., Germany and Sweden); (2) Shri C.K. Johri (for visit to Bangkok); (3) Dr. (Smt.) Mridula Krishna (for visit to USA); (4) Dr. K.D. Trivedi (for visit to U.K., Denmark and France); (5) Prof. S.K.R. Bhandari (for visit to Canada and USA); (6) Prof. R. Bandopadhyaya (for visit to UK); (7) Prof. C. Lakshamanna (for visit to USA); (8) Dr. N. Y. Reddy (for visit to USA); (9) Dr. A. M. Nallagoundan (for visit to France); and (10) Prof. Sachchidananda (for visit to USA).

59. The following were among the overseas social scientists invited by the ICSSR during the year under review :

Mr. Richard Hoggart, Assistant Director-General for Social Sciences, Humanities & Culture, UNESCO, from 14 June to 17 June 1973. Held discussions on various aspects of UNESCO's programmes on Social Sciences, Humanities and Culture with leading social scientists of the country.

Professor John A. Michon, Professor of Psychology and Traffic Science, Institute for Perception, TNO, Holland, from 14 to 20 July 1973. Delivered a series of lectures on experimental psychology at various colleges and also at the Department of Sociology of the University of Delhi.

Professor J. Matthes, University of Bielefeld, Bielefeld, Federal Republic of Germany from 5 to 10 August 1973. Apart from holding meetings with leading social scientists of the country, delivered a lecture on 'Sociological Research—Problems and Methods in Germany' at the India International Centre, New Delhi, and a lecture on 'Recent Trends in German Sociology' at the Centre for Study of Social Systems of the Jawaharlal Nehru University.

Professor Reuben Hill, President, International Sociological Association, from 2 October to 8 October 1973. Gave Seminars on 'Pay offs and limitations in strategies for theory building'

and on 'New Developments in Family Theory', at the Centre for the Study of Social Systems, Jawaharlal Nehru University and Department of Sociology, University of Delhi, respectively. Visited Aligarh Muslim University and the Tata Institute of Social Sciences, Bombay. Also held discussions with some of the leading social scientists of the country.

Dr. Margaret Mead, Anthropologist, USA, from 16 to 17 November 1973. Gave a workshop on "New Trends in Anthropology in Measuring and Assessing Human Progress", at the ICSSR's Western Regional Centre, Bombay.

Professor (Mrs.) Joan Robinson, University of Cambridge, UK, two months during December 1973 to February 1974. Visited the Osmania University, Hyderabad, Centre for Development Studies, Trivandrum, Institute of Economic and Social Change, Bangalore, Gokhale Institute of Economics and Politics, Poona, and the Jawaharlal Nehru University, New Delhi and delivered lectures and conducted seminars on 'Teaching of Economic Theory in Developing Countries'.

Mr. Paul Ernest Wehr, Associate Professor of Sociology, University of Colorado, from 9 December 1973 to 20 January 1974. Principally interested in research and studies on 'Self Limiting Conflict Styles in the Dynamic of Gandhi's Conflict Style'. Visited a number of Universities and institutions doing work in connection with peace research.

Mrs. Eleanor Bernert Sheldon, President, Social Science Research Council, New York, from 12 to 20 January 1974. Visited India to study the working of research in social sciences in India. She visited Delhi, Calcutta, Hyderabad, and Bombay where she delivered lectures and held seminars. Also discussed the problems connected with the research in social sciences in India with eminent social scientists of the country.

In addition, 18 renowned social scientists from various countries visited India to attend Asian Conference on Teaching and Research in Social Sciences, held at Simla during May 1973.

SEMINARS

60. As a measure of economy, all Seminars during the year were postponed, except those for which unavoidable commitments existed.

61. Asian Conference on Teaching and Research in Social Sciences : Indian Council of Social Science Research in collaboration with the Indian Institute of Advanced Study, Simla and the Indian National Commission for cooperation with UNESCO organised a Conference at Simla from 21 May through 26 May 1973. UNESCO paid a grant of 10,000 dollars for meeting part of the expenditure of this Conference.

The Conference was inaugurated by Prof. S. Chakravarti, Member, Planning Commission. The Valedictory Address was delivered by Prof. S. Nurul Hasan, Union Minister of Education and Social Welfare. The Conference was attended by thirty delegates and observers from fourteen countries of Asia. The participating countries were: Afghanistan, Bangladesh, Cambodia, India, Indonesia, Iran, Japan, Korea (South), Laos, Nepal, The Philippines, Singapore, Sri Lanka and Thailand. They discussed, among other things, the goals of social science research and teaching, problems of social science teaching, problems of social science research, role of national social science councils and regional cooperation and collaboration.

The Conference made several proposals to the UNESCO regarding its role in the promotion of Asian Social Science. The Conference also decided to set up an Association of Asian Social Science Research Councils (AASSREC) whose secretariat, it was agreed, would be located initially in the Indian Council of Social Science Research, New Delhi.

The AASSREC will consist of the National Social Science Research Councils or their equivalent bodies in any Asian member state and its functions would be : exchange of information, exchange of scholars, promotion of research opportunities for junior social scientists and promotion of joint research programmes.

62. Seminar on Social Change and Development in Nagaland : The Seminar was organised from 30 October 1973 to 1 November 1973 at Kohima. It was sponsored by the Council and Nagaland Peace Centre. The objective of the Seminar was to focus thought on the problems of Social Change and Development in Nagaland. The problems discussed in the Seminar included : Development and Social Change in Nagaland; Education and Social Change; Political Development and Social Change; Customary Law and Social Change; Role of Voluntary Agencies in Social Change and Role of Social Scientists in Development. The Seminar also made recommendations for the consideration of the Government and other policy-makers for Nagaland.

63. Symposium on the Problems of West Bengal Economy and Planning : This was organised at Calcutta from 24 to 27 February 1974 by the Centre for Studies in Social Sciences, Calcutta, in co-sponsorship with the ICSSR. The Indian Statistical Institute, Calcutta, the Indian Institute of Management, Calcutta and the Centre for Studies in Economics of Presidency College, Calcutta, collaborated in the organisation of the symposium whose objective was to focus attention on the special dimensions of the present situation in West Bengal, as well as on the positive and realistic steps in which the citizens may participate in planned development. The problems discussed at the Symposium included : the Central Plan and its Regional Implications with reference to West Bengal; State of Agriculture; Management of Water Resources; Industry; Labour; Education; some Aspects of Metropolitan Planning for Calcutta; and Politics and Institutions of Planning.

64. International Seminar on Comparative Education : An international seminar on Comparative Education was held, in collaboration with the Zakir Husain Centre for Educational Studies of the Jawaharlal Nehru University from 18 to 28 February 1974. The main theme of discussion at the Seminar was "re-innovation of Educational Structures". Apart from several leading educationists from India, the following foreign scholars also participated in the Seminar :

- (1) Mr. M. G. Kayuza, Secretary General, Unesco National Commission, Tanzania
- (2) Mr. Mohammad Mohsin, Member-Secretary, National Education Committee, Nepal
- (3) Mrs. Rosa Duranstepanenko, Ministry of Education and Culture, Brazil
- (4) Majid Rahnema, Imperial Organisation for Social Welfare, Iran

SOCIAL REPORT, SOCIAL INDICATORS AND ALTERNATIVES IN DEVELOPMENT

65. The programme of social report, social indicators and alternatives in development made steady progress during the year under review.

66. Social Report (1947-72) : The work has made considerable progress under the guidance of Prof. S.C. Dube who is

the general editor. It is hoped that the manuscript would be ready by the end of 1974-75 and that the report would be published, as originally planned, in August 1975.

67. **Social Indicators** : Of the total of twelve reports visualized, all except three (health, political development and art and literature) have been commissioned. The report on social welfare and science and technology are ready; and the remaining seven (Education, Economic Life, Social Change, Demography, Environment, Housing and Public Safety and Order) are under preparation. A report on the general philosophical basis of social indicators has been prepared by Prof. Ramakrishna Mukherjee and is proposed to be published. The work of bringing out a two-volume publication of social indicators to cover the period 1947-72 (one for aggregate national level data and the other for disaggregated regional level data) has been initiated. It is hoped to complete it in about two years.

68. **Alternatives in Development**: The earlier decision of the ICSSR to organise studies on crucial aspects of 'Design for Living', (e.g. education, housing, health, employment, transportation) has been revised in the light of subsequent thinking on the subject. It has now been decided to integrate these studies into a much wider project or set of studies under the title of alternative approaches to development. This will involve the Council in organising intensive discussions among social scientists, sorting out issues on which further 'studies in depth' are to be done, and then getting this research done as far as possible. This is a long-term operation and is likely to require at least five years to produce meaningfully coordinated results. This new programme will be initiated early next year.

GRANTS TO PROFESSIONAL ORGANISATIONS OF SOCIAL SCIENTISTS

69. The ICSSR offers a non-recurring grant-in-aid of Rs. 5,000 per annum for purchase of equipment, etc., and a recurring grant-in-aid ordinarily of Rs. 5,000/- per annum for a period of five years, on condition that the beneficiary professional organisation raises not less than Rs. 3,000 per annum from its own resources by way of membership and subscription fees. The only exception is the Indian Economic Association which has been given a grant-in-aid of Rs. 10,000 per annum, subject to the condition that the Association raises not less than Rs. 5,000 per annum by way of membership and subscription fees. During the year under review, the sanctioned grants were continued in favour of nine professional organisations of social scientists functioning at the national level, namely, (1) Indian

Economic Association, (2) Indian Society of Labour Economics, (3) Indian Sociological Society, (4) Indian Association of Trained Social Workers, (5) Indian Academy of Applied Psychology, (6) Indian Geonometric Society, (7) Linguistic Society of India, (8) Indian Anthropological Association, and (9) Indian Association for the Study of Population. On account of financial stringency, no new grant-in-aid was sanctioned under the scheme.

ADVISORY ROLE OF THE ICSSR

70. **Projects undertaken by foreign scholars in India :** One of the responsibilities of the Council is to advise the Government of India in respect of research in social sciences proposed to be undertaken by overseas scholars in India. As on 31 March 1974, the Council received 45 references from the Government and its advice was tendered after detailed scrutiny of each of the proposals by a Special Committee constituted for the purpose.

71. **Approval of Institutions for exemption from Income-tax under Section 35(1) (iii) of the Indian Income-Tax Act of 1961 :** The Council has been designated by the Government of India as the prescribed authority to advise the Government for approval of institutions/organisations for exemption from Income-tax under Section 35(1)(iii) of the Indian Income-tax Act, 1961. During the year under report, on the recommendations of the Council, the approval of the following institutions/organisations under Section 35(1)(iii) of the Indian Income-Tax Act 1961, has been notified by the Government in the Gazette of India.

- (1) Qaumi Ekta Trust, New Delhi
- (2) Sri Sathya Sai Institute of Research, Bombay
- (3) Dr. Vikram A. Sarabhai Memorial Trust, Ahmedabad
- (4) The Institute of Chartered Accountants of India, New Delhi
- (5) Gujarat University, Ahmedabad
- (6) Gujarat Research Society, Bombay
- (7) Management Development Institute, New Delhi
- (8) Centre for Social Research, Madras
- (9) University of Poona, Poona
- (10) Kishore Bharati, Hoshangabad (MP)

ADMINISTRATION AND FINANCE

72. Meetings : The Council held 17 meetings since its inception, of which two were held during the year under review.

73. Organisation and Staff : The work of the Council was re-organised into several Divisions, each headed by a Director or an officer of the status of Deputy Director and above. The Divisions were further sub-divided into branches, each branch being placed under the immediate charge of an officer of the status of Assistant or Deputy Director. The Steering Group, which was formerly called the Planning Group, continued to advise the Member-Secretary on all important matters relating to administration and programmes and policies of the Council. The Staff Club continued to provide various amenities to the members of the staff and the ICSSR Cooperative Thrift and Credit Society continued to function satisfactorily.

74. ICSSR Review Committee : The report of the Review Committee of the ICSSR was received during the period under review and was under examination by the Secretariat and the various committees of the Council.

75. Deputation Abroad : Dr. (Miss) R.K. Barman, Deputy Director, was deputed for training for a period of ten months from 6 November 1973 to 5 September 1974, under a post-doctoral Rockefeller Fellowship in Malaysia, Indonesia and the USA. Professor Yogesh Atal, Director, participated in a seminar on Social Sciences in Nepal organised by the Institute of Nepal-Asian Studies, Kathmandu, from 15 October to 17 October 1973. Mr. J.P. Naik, Member Secretary, ICSSR, participated in a seminar on 'Multi-Dimension Limits to Growth' organised by the Centre for Inter-Cultural Documentation (CIDOC), Cuernavaca, Mexico, from 6 to 16 January 1974.

76. Budget and Accounts : During the year under review a sum of Rs. 55.50 lakhs was sanctioned by the Government of India as grant-in-aid to the Council. Besides this, a sum of Rs. 13.39 lakhs was received as grant-in-aid from the Ford Foundation; Rs. 2 lakhs from the Government of Andhra Pradesh as matching grant for the Regional Centre, ICSSR, Hyderabad, and Rs. 74,000 from Unesco as contribution towards the Asian Conference on Teaching and Research in Social Sciences organised in Simla from 21-26 May 1973. Miscellaneous receipts and recoveries of the Council during the year were Rs. 4.66 lakhs. In all, a sum of Rs. 76.29 lakhs was thus available to the Council during the year 1973-74. Against

this, the actual expenditure of the Council during the year was Rs. 73.92 lakhs.

77. The accounts of the Council for the year 1972-73 were audited by the AGCR in November-December 1973. A copy of the annual accounts of the Council duly certified by the AGCR along with covering letter is given in Appendix III.

78. **Grant from the Ford Foundation:** The Ford Foundation has sanctioned a grant-in-aid of \$ 462,450 to the ICSSR (10% of the grant is reserved for ICHR). Out of this, a sum of Rs. 17,638.58 was received in 1972-73, and a sum of Rs. 13,39,360.75 was received in 1973-74, making a total of Rs. 13,56,999.33. Out of this, a total expenditure of Rs. 8,12,556.92 was incurred during the year. This includes an expenditure of Rs. 4,96,912.38 on travel costs of Indian social scientists going abroad and overseas social scientists invited to India, Rs. 1,43,425.65 for purchase of material and publications including machine-readable data, and Rs. 1,72,218.89 for purchase of equipment for the Documentation Centre and the National Data Archives.
